The screenshot shows a window titled "Internet Connection Wizard" with a close button in the top right corner. The main heading is "Internet Mail Logon". Below the heading is a mouse cursor icon. The text reads: "Type the account name and password your Internet service provider has given you." There are two input fields: "Account name:" containing "firstname last initial@slopeslurpers.org" and "Password:" which is empty. Below the password field is a checked checkbox labeled "Remember password". A paragraph of text follows: "If your Internet service provider requires you to use Secure Password Authentication (SPA) to access your mail account, select the 'Log On Using Secure Password Authentication (SPA)' check box." Below this is an unchecked checkbox labeled "Log on using Secure Password Authentication (SPA)". At the bottom, there are three buttons: "< Back", "Next >", and "Cancel".

Click Finish. You can now receive your email from new Slope Slurpers email system.

The screenshot shows a window titled "Internet Connection Wizard" with a close button in the top right corner. The main heading is "Congratulations". Below the heading is a mouse cursor icon. The text reads: "You have successfully entered all of the information required to set up your account." and "To save these settings, click Finish." At the bottom, there are three buttons: "< Back", "Finish", and "Cancel". The "Finish" button is highlighted with a dashed border.

Enjoy your new Slope Slurpers Email!
